

**S.A.P. Science Fair
Evaluator/Volunteer Form**

**S.A.P. Science Fair
Monday, February 27th
1:35-2:50 PM (School Showing/Evaluations)
6:30-7:30 PM (Public Showing)**

The St. Anthony Park Elementary Science Fair will take place on Monday, February 27th from 1:35-2:50 PM (evaluation time) and 6:30-7:30 PM. We will need at least 30 evaluators and volunteers for the event. The evaluators will be needed during the afternoon session (1:20-2:50 PM). The evaluations will be made using a scoring rubric (no experience is necessary, just the ability to communicate positively with the students). Additional volunteers will be needed during the evening session (6:30-7:45 PM) to assist with supervision and clean-up. Your willingness to help our students is greatly appreciated. Please complete the information below and return it to Mr. Schrankler if you are able to help in any way.

Sincerely,

Mr. Schrankler
james.schrankler@spps.org

S.A.P. Science Fair Volunteer Reply

Your Name: _____

E-mail address: _____

Phone Number: _____
